TEACHING EXPERIENCE

I have taught 31 years at East Windsor High School, East Windsor, Ct. As customary in small schools I have taught many different courses over the years. I am strongest in U.S.History/Sociology based courses. I also have much to offer in business/entrepreneurial studies.

Geography,Economics,Sports Psychology and Business Law are some other courses I taught many years. I would welcome the opportunity to teach some courses at W.M.A.

Sincerely, Chris Corkum
